Product	Description	Download	Key
Office Professional Plus 2016	Description	Download	Key
Office Professional Plus 2016 Key Management Service Host	Description	Download	Key

Special Instructions

Important: Microsoft strongly recommends the use of 32-bit (x86) versions of Office 2016, Project 2016, and Visio 2016 applications as the default option for all platforms.

Download Settings

Microsoft recommends using a Download Manager if you would like to download multiple files or large file sizes, automatically restart the download if interrupted, or pause, start and stop downloads.

The screenshot shows the Microsoft Volume Licensing Service Center interface. The main heading is "Microsoft Volume Licensing Service Center". Below it is a navigation bar with links: Home, Licenses, Online Service Activation, Downloads and Keys, Software Assurance, Subscriptions, Administration, and Help. The "Downloads and Keys" section is active, displaying a table of products. The table has columns for Product, Description, Download, and Key. Two products are listed: "Office Professional Plus 2016" and "Office Professional Plus 2016 Key Management Service Host". Below the table, there are "Special Instructions" and "Download Settings". The "Download Settings" section includes a "Download Method" dropdown set to "Download Manager", a "Language" dropdown set to "English", and an "Operating System Type" dropdown set to "32 bit". A "Continue" button is located at the bottom right of the settings section.
